Kelly Jones is sworn into office to begin her new term.

Approvals

-Agenda Dan motions to approve Jeston seconds. Motion passed.

-Regular minutes and Special meeting minutes Kelly motions to approve Jeston seconds. Motion passed.

-Treasurers report Kelly motions to approve Dan seconds. Motion passed.

-Claims for consideration Kelly motions to approve Dan seconds. Motion passed.

Commission report:

Dan- updates on water project. Concrete work and one fire hydrant are all that is left. Update on master plan and the progress we are making and a few changes in the report and then we will post and advertise the status report when it is scheduled. Dan also brings up a question for Heather about mowing lawns. Dan asks about badger estimates and suggests that we make an in-person appearance to get an estimate. Dan reminds Steve to replace the pressure gauge on the Downey well pump.

Susan- thanks everyone for their part in Glendo days and voices her appreciation to everyone for attending and helping. She lets everyone know about Dave and Pams thank you to everyone as well.

Tristany- tells everyone that we are taking our tests again and mentions looking into grant writing courses for Kelsey.

Old business

Dave Coffey updates us all on the warren water project and lets everyone know what we found and where we will be progressing as we near the end of the project. He voices his excitement in

the town moving in the right direction with getting lines replaced and names the last few things to wrap up the project. He asks if anyone has any questions. No one does. Josh Miller with WyoDak thanks the town for the patience during the project and thanks Coffey engineering for helping things go smoothly. He talks about a few options we may have for the roads until we can get funding for asphalt. This will be outside the scope of the grant, but the town will be looking into these options.

Derek Wilson Permit is tabled because he was not able to make it.

Vender ordinance-Eric explains the changes made for farmers markets and the verbiage changes. Current health and or food safety certificate if applicable was added to the ordinance. Also added to dispose of their own trash at end of day and added that farmers market fee is for the entirety of the season. Kelly asks if each person needs to apply for a merchant or if one person can on behalf of the entire farmer's market. Eric explains that it will be for each person to apply for themselves individually. Dan asks if anyone has any questions as it is the 3<sup>rd</sup> reading and opens it up for the public. Paul Bauder asks what the fees are. Eric explains that fees have not changed, we mostly changed the verbiage and specified further. Jeston motions to pass ordinance 273 Kelly seconds. Motion passed.

Curtis Fields Permit- Council overlooks his permit Dan motions to approve it. Jeston Seconds the motion, motion passed.

Deb Blackshear did not come to the meeting.

Tom Krizan- Updates everyone on the pasture golf success thanks everyone for their participation. 104 people came to play. 140 people came for support and contributions. EMS and Fire Department will each get about 5,600 dollars. Tom thanks Dan Dugdale, Heather Schoning, Bob Ruwart Motors, Tim Ludvig and all others who helped make it a success.

Mayor asks for a motion to go into public hearing. Kelly motions, Jeston Seconds, Motion passed. Council asks for any public questions or concerns on the liquor permits for the Town of Glendo. There were none.

Kelly motions to go back into regular meeting, Dan seconds the motion, it was passed and we returned to our regular meeting.

Dan motions to approve the transfer from Kim's to Frontier Flame Kelly seconds. Motion passed.

Dan motions to approve the 3 liquor applications. Kelly seconds. Motion passed.

Kelly motions to adjourn the meeting. Jeston Seconds motion. Motion passed. Meeting Adjourned at 6:32 pm
