6pm Mayor Juschka calls meeting to order asks all to stand and recite the pledge of allegiance, welcomes all.

Approvals

Agenda: Heather motions to approve the agenda. Kelly seconds. All in favor. Motion carried.

July 2024 Regular and Special Meeting Minutes: Kelly motions to approve with the correction of Heather Schoning's name. Jeston seconds the motion. Heather abstains from the July Regular Meeting minutes as she was not present. All in favor. Motion is carried.

Treasurers report: Kelly motions to approve. Jeston seconds. All in favor. Motion is carried.

Claims for consideration: We will place VFW on hold as well as the National League of Cities until further research on why these are paid. Heather motions to approve. Kelly seconds the motion. All in favor. Motion is carried.

Commission Reports:

Mayor Juschka- Reads a letter of resignation from Dan Dugdale as of July 31st, 2024. Tristany Hoffman has been terminated; this is an ongoing investigation due to a money anomaly. Kelsey Crabtree, the assistant clerk, is filling in at this time.

Kelly- Taking over for Genelle with the airport, park, and cemetery. She is working closely with Genelle and Lacy on these. Will also continue to attend Keep Glendo Great meetings to stay involved. Fly in is September 7th & 8th and is asking for volunteers and any ideas for the event.

Heather- She will now be on Water and Sewer. She met with Dan, Steve and Kathy Weinsaft and are working on lead and copper reports that are due in October. We are ahead of the game a little. Working with Steve on flushing of the lines with Badger. We have had meters freezing up in this town for the past 5 years, which have not been replaced. Steve and Duane are working on this. We are still waiting for AVI to advertise a public forum, they oversee this, we do not. As soon as we know everyone else will know on a time and date.

Norbert Schultz: Only has half pressure prior to line replacement on 210 S Warren. Needs meter lowered 6 inches. Discussion back and forth on solution. Steve Eller and Dave Coffey will address this.

Dave Coffey, Coffey Engineering: Dave has not been on site but will contact WyoDak on road mill questions. Dave will look at Norbert Schultz's problem. Concrete work should be wrapped up next week. Time for final walk through, we will need to do this week.

Jeston- Will now be taking over Roads and Alleys.

Steve- Has been working on replacing the eight meters and has had some water leaks in town he has been working on.

Kelsey- Would like council to investigate and consider BMS pay.

Jay Collins with FD- Chili Cook off coming up. The rural fire was at the Pleasant Valley fire helping.

EMT Michelle Wright- Marina auction and dinner. Can donate money at the marina, to her or Christina.

Visionary Fiberoptics: Building fiber internet into everyone's houses. Best internet that you can get. Will start in town then try and branch out into the park. Do have crews to mobilize if anything were to come up.

Mayor Juschka gives reminder Fly-in is September 7th and 8th. EMS Golf tournament will be on September 14th.

Heather motions to adjourn. Kelly seconds. All in favor. Motion is carried.

Respectfully submitted by Kelsey Crabtree
