

# Keep Glendo Great Steering Committee Meeting Minutes

**Monday 10/7/24 at the Glendo Town Hall at 7pm**

**In attendance:** Paul Bauder, Greg Burke, Genelle Petsch, Cooper and Ashlie Gray, Larry Collins, Benny Hill, Tim Milliken, and Jeston Cundall

**Approval of July Minutes that were emailed to every member:** Minor changes needed.

- Motion to approve by: Larry
- Second: Cooper
- Voice Vote result: Passes.

**Treasurer Report:** Account has \$8900. No bills for consideration.

- Motion to approve by: Cooper
- Second: Paul
- Voice Vote result: Passes

## **Old Business:**

**Actions taken since the July meeting:** Greg shared the tasks that have been completed since the July meeting (see agenda). We reviewed the various dollar amounts of the projects in progress and how much was received in funding for the school playground (\$13,000 received so far) and for downtown planters (\$4400). Grants will continue to be written until current projects are fully funded. We discussed other new sources of funding suggestions from WYGAP.

**Status of Glendo Strategic Plan:** Genelle gave an update that it is slowly moving forward, and the review process is slow. There will be a public review when it is ready.

**Conflict of Interest Forms:** All outstanding forms were completed during the meeting.

**Update on suggestions from the last meeting for future funding:** Paul gave an update on improvements to the rodeo arena, particularly receiving or buying a vault toilet restroom facility from Glendo State Park. The cost and availability of bleachers and AC for the crow's nest are being researched. Instead of buying bleachers, reaching out to the WY state fair may be a more affordable option. It was agreed that we need to get town approval for these approvals and Paul/Tim were going to bring up with the town at the next town board meeting.

## **New Business:**

Discussed how we can help other committees. Jeston was able to give insight into the 1% lodging tax which might help fund tourism and event activities fund existing or new events. Jeston will provide committees with the application forms needed.

**Next Meeting: Thursday January 16th at 7pm**

## **Motion to Adjourn**

- Motion by: Larry
- Seconded: Cooper/Genelle
- Voice Vote Result: Passes

**Meeting Adjourned at: 7:35pm**
