Commission Reports

Kelly Jones: The Fly in was great. Thanks all for coming and having a great turn out. About 300 people came through and 20-25 planes in total. Next year will be the 20th year. Some suggestions made on next year's show. Would like to Incorporate more local businesses. Also, discussion on applying for grants earlier next year.

Heather Schoning: Visionary has cut sewer lines, water lines, century link lines. Has been causing ongoing work for Steve. Got ahold of Badger, Jay is on vacation and hoping to hear back on Monday. Emailed about the Water grant. Will get with Kelsey and try to get an email to the state for help to retain a grant for our water project. She has also been looking into Mineral money possibilities, we would need matching funds. Has been approached on the community center. Would like to get a committee with volunteers to come up with a wish

list, and planning. Wondering what we have from Cottonwood Hall donations and if we can use this for the community center. Secondly, wondering if Kelsey needs help with F-66 due by the end of September. Vistabeam letter is pulling one of their towers, wondering what their full plan is. Eric will investigate their lease.

Jeston Cundall: Newly appointed roads and alleys he is still learning about this and visiting with Steve.

Mayor Juschka: Visionary is quoting us amounts for our internet for business access for all our government buildings.

Steve Eller: Let's all know that he has been very busy and will get to those he has stated he will get to. He has not forgot, thanks everyone for their patience.

EMT/FD: EMS Auction was very well they raised just over \$45,000. Golf Tournament is this Saturday in Guernsey. Chili cookoff is October 12th. They are asking for donations.

Old Business:

Norbert Schultz: Still has not had anyone to see him with his meter and water pressure is very low. Steve will move him up and get with him this week.

New Business:

Michelle Wright: Asks when the burn pile hours are. Susan states the first and third Saturdays. Asks what is accepted. Susan answers wood and yard waste.

Kelly motions to go into Executive session. Heather seconds. All in favor. Motion is carried.

Heather motions to end executive session and go into regular session. Jeston seconds the motion. All in favor. Motion is carried.
