Regular Meeting Minutes

Platte County

Wyoming

Present: Council members Heather Schoning and Kelly Jones. Mayor Susan Juschka. Town Attorney Eric Jones, Assistant Clerk Kelsey Crabtree, Public Works director Steve Eller.

6pm Mayor Juschka calls meeting to order, asks to stand and recite pledge of allegiance.

Agenda: Kelly motions to approve. Heather seconds. Motion carried.

October 9th, 2024 Regular Meeting Minutes: Kelly motions to approve with the amendment of \$12,695 instead of \$12,000 for the amount for the community center. Heather seconds the motion. All in favor. Motion is carried.

Treasurer's Report: Kelly motions to approve. Heather seconds the motion. All in favor. Motion is carried.

Claims for consideration: Heather motions to approve. Kelly seconds the motion. All in favor, motion carried.

Commission Reports:

Heather- Completed flushing of service lines with Badger, ended up being under budget. Our lines should be good for 4 years now, in theory. Thanks Robin and Tom for helping her get the lights ready for the fire department. She has written a building permit guideline that could help with the process of building permits, discussion back and forth. Gives update on Community Center. Would like permission to get property lines surveyed, especially on the north side near Amy's. Curious about bonding for maintenance building, discussion on maintenance building improvements. Also notes that Visionary is still needing to reimburse a couple residents for some issues they had.

Kelly- We have finished up seasonal work in the park and cemetery.

Mayor Juschka- Thanks to all who decorated for Veteran's Day.

Kelsey- Talks about water conference her and Steve attended. Gives update on BMS pay which is set to go live on 12/09/24.

Steve- Needs to have some gravel hauled.

FD- No report. Will hang the town Christmas lights.

Old Business: Tipword Building Permit- Heather motions to deny as this is over our water meter and encroached our easement. Kelly seconds the motion to deny. All in favor of denying this building permit. Motion is carried.

Norbert Schultz- States he still has little pressure going on for five months. Discussion back and forth on who owns the water line.

New Business:

Justin Bekelja- He has been in the water industry for close to 20 years. Shared a few suggestions after the AVI Meeting that could save the town money when it comes to our water wells.

Mayor Juschka entertains a motion to adjourn. Kelly motions to adjourn. Heather seconds the motion. All in favor.

6:47 Meeting adjourned.

Respectfully submitted by Kelsey Crabtree
