## Old Business:

1. Actions taken since the October meeting:

- BOIR and Tax filing for 2024 has been completed .
- Obtained bids for possible downtown decorative poles to replace trees
- Greg wrote \$50K grant to support community center & \$500 grant for KGG funding ○ Will be used for PO Box, supplies, possible Platte County chamber membership

2. Status of funded projects (Pocket park, planters, school courts)

- The planters have been delivered and are beautiful, they will be passed on to the beautification committee to be set up.
- The school courts are underway and there may be possible money left over that may be applied to the lighting project needed.

3. Current update is there is no progress on Status of Glendo Strategic Plan. There will be public meetings with the engineering firm TBD.

4. Current potential project updates

- **New bleachers/restroom for the rodeo arena**

- The concept has been approved by the town and we can move forward with checking availability and prices on bleaches and possible restrooms.

- Cooper will ask around Douglas if there are potential used units due to recent upgrades. • **Sound system improvement for the arena and AC for the crow's nest.**

- The town has a new sound system that will be available for check out. Cooper, Gene and Kurt will take a day and see if that system is going to be suitable for the events.
